## **NEW ELITE LEADERSHIP AND EXPANDING RETAIL PARTNERSHIPS**

Marine industry veteran Scott Hanson is at the helm with an assembled strategic team encompassing more than 100 years of combined experience. We're building on our history of superior long-standing Coastal dealers spanning 35+ years, with an expanding network from the Great Lakes to Coastal New England, and the South.

## **MANUFACTURING**

Our models are crafted in a our centrally-located manufacturing facility in Tennessee with a 40+ year history in producing quality boats that boaters and dealers have counted on for decades. A 145,000 sq. ft. facility, large skilled labor force and a management team that brings to bear generations of experience with household boat brands in the saltwater and freshwater markets.

## **NEW UPDATED DESIGNS**

An evolved and expanded product line, introduction of technological enhancements, and new deck arrangements that offer sociability, accessibility, functionality and adaptability. Customization in upholstery, tops and electronics is also available.
